This email was sent by Grace Ministries, Inc.

<https://www.undergrace.org/>

2. You will then receive another email from Grace Ministries with a link and the password to access the coaching gear.

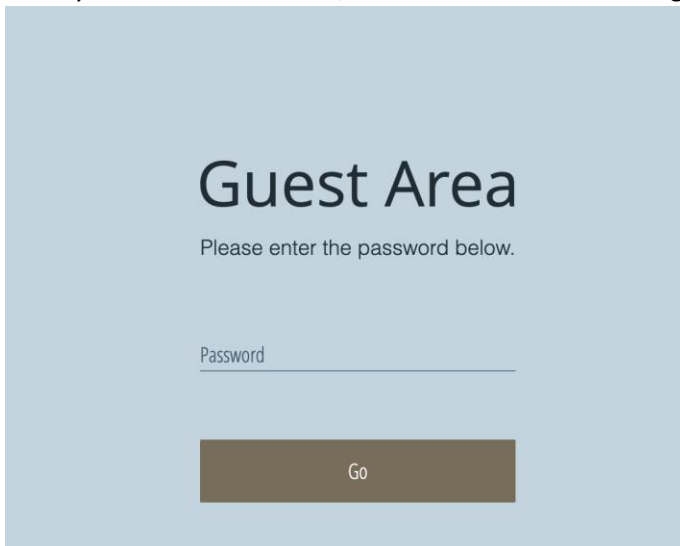

Dear [\[redacted\]](#)

Thank you for purchasing the coaching gear! Please use the link and password below to access your materials.

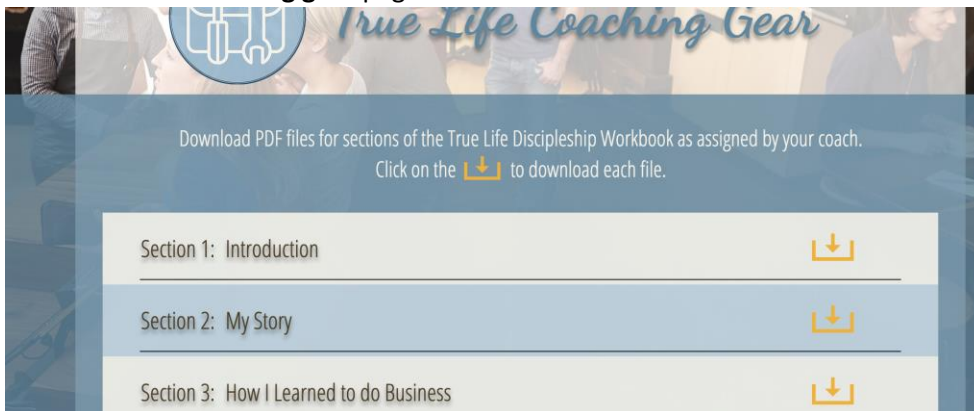

Link:

Password:

3. Once you receive that email, click on the link. It will bring you to this page.

4. When you type the password found in the email from Grace Ministries and click “Go”, you will then be on the **coaching gear** page.

True Life Coaching Gear	
Download PDF files for sections of the True Life Discipleship Workbook as assigned by your coach. Click on the  to download each file.	
Section 1: Introduction	
Section 2: My Story	
Section 3: How I Learned to do Business	

5. You can download the True Life Discipleship Workbook files by clicking on the yellow download icon. These files will automatically be saved to your DOWNLOADS folder.

6. Scroll down to view the audio recordings. To access the recordings simply click on the icon of each title. Further instructions are provided on the page as well.

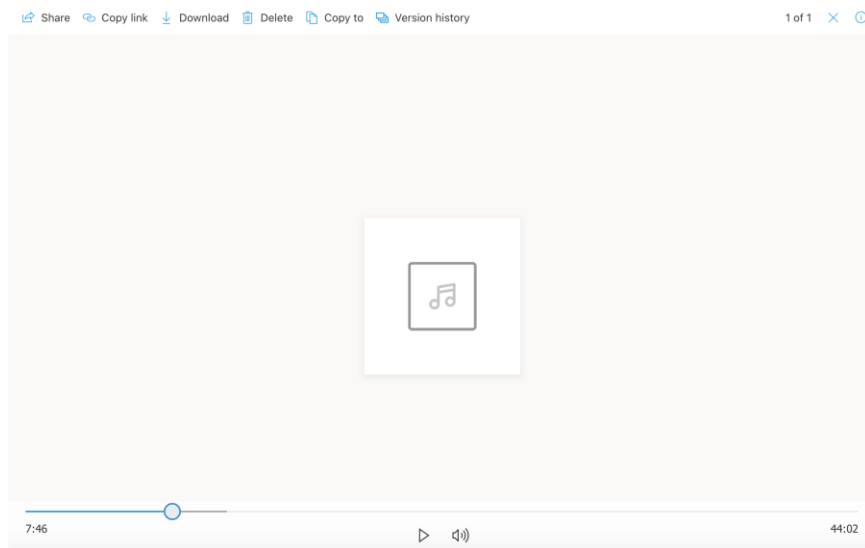

Audio Recordings

Below you will see the titles of the audio recordings that are part of this Counseling Tools package. These audio recordings may be played from the linked page on your mobile device using Chrome, Safari and Samsung's Internet Browser. At this time, Firefox does not support the playing of these files. These recordings may also be downloaded to your computer and played there or copied to your mobile device.

[Anger and Forgiveness - Leslie Farley](#) [Trials and Sufferings - Karl Kakadelis](#)

7. When you click on the title you may see a screen as shown below, which gives you access to play the recording from the internet with the “play” button, or download it onto your computer.

8. You will then be able to burn a CD, listen to the files from your PC, or move the files to your mobile phone player as per instructions of the player.
9. We have provided the support pages for the iPhone and Galaxy phones on how to transfer music:
 - a. iPhone - https://support.apple.com/kb/PH20507?locale=en_US
 - b. Galaxy - <https://www.verizonwireless.com/support/knowledge-base-97257/>
