

"I am blessed beyond words to be a part of you all."

"Every time I am asked how I am doing, my response is, 'This is the best day of my life!' I have the life and person of Jesus living in me and I have ceased from all of my trying to live for Him to discover I live BY Him simply through faith. How could this not be the best day of my life?"

"What a joy it is to discover Jesus as my everyday source for life and that that never changes no matter how I am feeling.' I am so grateful to Jesus for leading me to you and revealing His truth through you all to me." Matt
